On the grounds of Art. 22, Par. 5 of Ordinance No. 48, by this present report, the SB performs its obligation for reporting to the General Meeting on its functions in lieu of RC in the period 1 January 2021 - 31 December 2021 (hereinafter referred to as the “**Reported Period**”).

In performance of the requirement of Art. 21, Par. 1, item 3 of Ordinance No. 48, the MB presented to the SB information regarding the level and structure of remunerations of the employees occupying managerial positions in the administration of the Company. **4. Conclusions of the SB in lieu of RC**

The individual remunerations of the members of the MB were determined in compliance with the Policy. The level and structure of the remunerations of the employees occupying managerial positions

in the administration of the Company also comply with the Policy and the applicable statutory requirements.

During the Reported Period, and up to the current moment, there were no amendments or supplementations to the effective legislation and the charter documents of the Company, which would require suggestions by the SB on any kind of amendments or supplementations to the Policy. Until any such amendments or supplementations would arise, the SB intends to maintain the Policy in its present form and substance.

The SB concludes that during the Reported Period the Policy was implemented strictly and consistently.

The SB informs the shareholders of the Company that any and all necessary measures were undertaken in order to ensure that the remuneration of each member of the MB is determined fairly vis-à-vis the remuneration of any other member of the MB and of the employees occupying other key positions in the administration of the Company.
